## GNE is on the Go

Trips are being planned for the spring of 2019 to Nepal, Guatemala, Indonesia, and the Philippines as well as here in Oregon. Details will be available after September 1 on our website, [www.globalnutritionempowerment.org](http://www.globalnutritionempowerment.org).

Our name reflects our commitment to improve nutrition and to empower women around the world. We hope that you like our new logo that evokes diverse women and vibrant vitamins.

More importantly, GNE has developed nutrition education apps designed for any audience anywhere. The content highlights the importance of balanced nutrition and micronutrients for good health. Our programs are fun audiovisual animations with iconic characters. They are delivered in the language of the viewer via digital tablets. We now have programs in English, Spanish, Bahasa and Tagalog.
